

MEAD CON **Quality Policy**

Mead Con is committed to producing work of the highest quality standard.

We believe that quality is important to our clients, our employees and future, and success of our business.

All employees, subcontractors and suppliers are informed of our quality manual, forms and procedures.

We continue to monitor and improve our quality systems to ensure that our employees, sub-contractors and suppliers are committed to excellence. Regular review will ensure our compliance to AS/NZS 9001:2000 is maintained.

All employees are encouraged to develop practices that will engender teamwork and enable each person to attain pride in the finished product.

We will ensure everybody involved in our business understands and maintains our policy of quality in all areas and at all times.
