Client Testimonial

Project: 2 Pauciflora Drive, London Lakes

The joint experience of General Manager Luke Quigley and Supervisor Phil is unmatched.

The end result is a fantastic well-constructed home. Everything they did was to the highest level.

Their communication and flexibility made this build so easy for us. We trusted them from day one and they looked after us to the end.

The manner in which Mead Con completes work, and then invoices made us feel secure.

I highly recommend Mead Con as a builder to anyone. Thank you for building our dream home.
